

South Central Electric Association Community Solar Participation Agreement

This Agreement ("Agreement") is made and entered into this _____ day of _____, 20 ____ by and between South Central Electric Association (SCEA), with its principal place of business at 71176 Tiell Dr., St. James, MN 56081 and the Member identified as follows:

Member: _____

Billing Address: _____

City: _____ State: _____ Telephone _____

Email Address: _____

Account Number: _____ SCEA Location #: _____

Member has agreed to purchase energy output from South Central Electric Association Community Solar array. Member is not purchasing ownership in the solar array. The member will not own panels or any infrastructure in the array. Member does not receive renewable energy credits.

As consideration Member will: Pay SCEA \$0.13 per kWh for energy generated from _____ (number) panel(s). Member will be billed monthly.

Kilowatt hours will be determined by total kWh's received by SCEA at the solar array meter divided by 448(number of panels). Rate of \$0.13/kWh is valid until December 31, 2037.

Agreement Term: The term of this agreement is until the member is no longer purchasing energy from SCEA or upon request of member or until December 31, 2037. This agreement may be transferred one time before December 31, 2037 to a family member that is a SCEA member. Eligible family members are children or grandchildren.
